

# INDUSTRIAL BONDING & LAMINATION ADHESIVES

The Ellsworth Adhesives Product Specialist team is a group of highly networked industry leaders representing a wide range of bulk industrial adhesive solutions. With a customer focus on value-added solutions, our EPS Team helps create improved efficiencies for our customers. Our solutions can lower material costs, increase ROI, refine production processes, as well as reduce on-hand inventory and equipment maintenance costs.

Ellsworth Adhesives is a manufacturer and distributor of a broad range of industrial bonding products to meet a variety of market and application needs.
