

ELLSWORTH ADHESIVES

Your Global Leader in Specialty Chemical Distribution

MATTRESS & FOAM BONDING

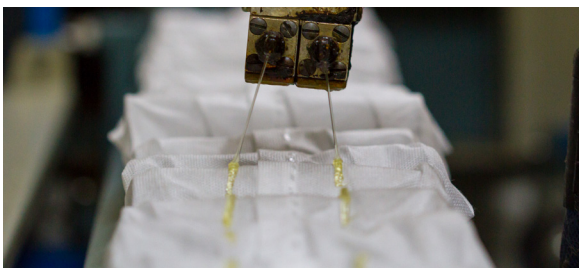

Ellsworth Adhesives supplies a full range of mattress and foam bonding adhesives, along with application equipment for hot melt and water-based glues. In addition to our manufacturing capabilities, we serve as a distributor of bedding adhesives, specialty chemicals, and equipment backed by our strong vendor network.

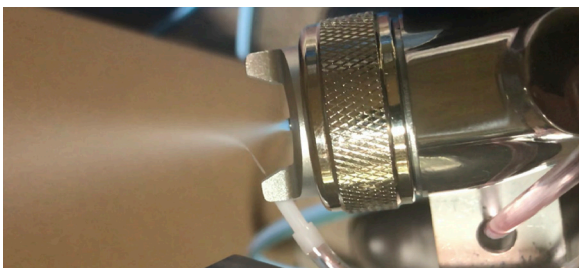

Ellsworth Adhesives offers exceptional technical support for adhesives, mattress and foam bonding equipment, and inventory management options designed to reduce supply chain challenges.

Work with Ellsworth Adhesives, a supplier to top mattress companies, to schedule your sample test run.

Common Applications:

Bed in Box • Foam to Fabric • Foam to Foam
Visco Foam Bonding • Pocket Coil Glues

MATTRESS & FOAM BONDING

Applications:

1 and 2K Spray
Roll Coat
Swirl Spray
UFD Spray

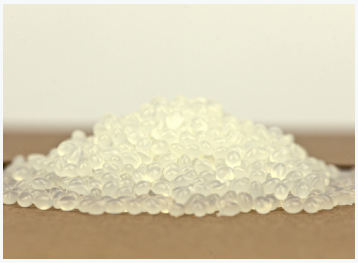

Ask about our biodegradable hot melts and specialty spray head technology to reduce coat weights and production costs for pocket coil and laminating hot melt applications.
